

## MacKenzie Park Lawn Bowls Club Equipment and Supplies 2011 Price List

The lawn bowls and bags shown below can be purchased from the Henselite Rep at the Club. Currently that rep is Joe Odgers. Most of the rest is considered supplies and is available at the Games Window.

The US dollar has sunk so low against the Aussie Dollar that it is approximately at parity of 1:1. Since last year shipping costs – both ocean freight and domestic UPS charges – have risen. Therefore it has been necessary to increase prices on a few items by about 5%. Most things have not changed.

CLASSIC model bowl are no longer being stocked by the Henselite distributor in Los Angeles. If you absolutely must have a set of Classics, they'll be a special order. Special orders have a delivery time of approximately 12 weeks.

The TIGER bowl which draws between the Classic and Classic II and the TIGER II which draws between the Classic II and Dreamline (but with a slightly flatter finish) have both been big hits with American bowlers. These models incorporate the new ergonomic hand design which bowlers have found to be so comfortable. A comfortable bowl gives you greater control and control gives you consistency - that's what wins games.

Remember that most bowls can be ordered in Red, Green, Royal Blue or Burgundy for \$415, but they will require a delivery time of up to 12 weeks. Contact Joe Odgers for details.

Red, White & Blue speckled bowl in Tiger & Tiger II sizes 2-5 just for Americans. Check with Joe Odgers about availability, costs and shipping time.
